

Schools and Communities Knowledge Workshops

C4EO for the sector
from the sector

The Centre for Excellence and Outcomes in Children and Young People's Services (C4EO) is holding 5 Regional Knowledge Workshops for professionals across Children's Trusts.

Three key priorities are being addressed under the Schools and Communities theme.

What will be covered?

- Narrowing the gap in educational achievement and improving emotional resilience for children and young people with additional needs
- All children and young people make sustained progress and remain fully engaged through all transitions between key stages, 0-19 yrs (25 for care leavers)
- Strengthening family well-being and community cohesion through the role of schools and extended services

These workshops will provide an opportunity to **review the evidence** produced by the **research** reviews, **debate** key challenges and opportunities, **exchange knowledge** with colleagues and hear about the **practical support** available to Local Authorities and Children's Trust partners.

There is **no cost** for these workshops
